Social: Introverted

Decision: Intuitive

Role: Leader

Motivation: Impact-driven

Work style: Independent

Short insight

Tolga is an introverted and impact-driven leader who prefers to observe situations before taking action. He values making a positive impact on people.

Your superpower

Your strength is your ability to bring people together around a shared goal and guide them.

What may hold you back

At times, staying in the background may delay how quickly your strengths are noticed.

Good-fit fields

Project management

Operations management

Team coordination

You in 5 years

Five years ago, Tolga was a quiet team member in his company. He preferred working alone and took a thoughtful approach to problem-solving. However, he soon realized that he had the ability to lead and make a bigger impact. Tolga started taking more risks and began advocating for new initiatives. His intuition and independent work style allowed him to successfully implement these projects, earning him the respect of his colleagues and the title of team leader.
