Short insight

Tolga is an introverted and intuitive person, motivated by success. He prefers working in a team setting and often takes on leadership roles.

Your superpower

Your strength is creating value and building order when working with others.

What may hold you back

At times, staying in the background may delay how quickly your strengths are noticed.

Good-fit fields

Project management

Operations management

Team coordination

You in 5 years

Five years ago, Tolga was a quiet member of his team, preferring to observe before taking action. Over time, he developed a reputation for making quick and effective decisions based on intuition. This led him to take on more responsibility within the team and eventually becoming a successful leader.
